Welcome • Üdvözöljük • Willkommen

Dear Partner,

It is our great pleasure to present the latest Rábalux catalogue. Our objective is to offer a solution to each individual requirement, which is why this year we have expanded our portfolio with over 400 new items.

We constantly track the latest market trends and fashions, so this year we are placing greater emphasis on the increasingly popular vintage and industrial products. New romantic and tropical fashion trends are appearing at ever more interior design exhibitions and in specialist magazines, therefore – in line with consumer demands – our catalogue also features specially designed light fittings combined with white wood bearing these stylistic traits. Naturally, we have not forgotten those who prefer the all-time classics and modern trends; they, too, have numerous innovative solutions to choose from in order to reinvigorate their homes.

Using the Live Print application on the cover, (Rábalux logo) launch the video, step inside and find out more about us from close up!

We are confident that all our partners will discover in our expanded range the particular product that will make their homes more attractive and cosy.

Kedves Partnerünk!

Örömmel szolgál, hogy a Rábalux legújabb katalógusát tartja a kezében. Célunk, hogy minden egyedi igényre megoldást nyújtsunk, ezért idén több, mint 400 új cikkekkel bővítettük portfóliónkat.

Folyamatosan követjük a legújabb piaci trendeket, divatirányzatokat, így idén nagyobb hangsúlyt szenteltünk az egyre inkább népszerű vintage és ipari termékeknek. Egyre több lakberendezési kiállításon és szaklapban jelennek meg új romantikus és trópusi divatirányzatok, így követve a fogyasztói elvárásokat, katalógusunkban is megtalálhatóak ezeket a stílusjegyeket hordozó, egyedi, fehér színű fával kombinált lámpatestek. Természetesen nem feledkeztünk meg az örök klasszikus és modern irányzat kedvelőiről sem, számukra is számos újabb megoldást kínálunk, hogy újjávarázsolják megszokott hangulatú otthonukat.

A borítón található Live Print alkalmazás (Rábalux logo) segítségével indítsa el a videót, lépjen be hozzánk, ismerjen meg bennünket közelebbről is.

Bízunk benne, hogy megnövelt szortimentünkben mindenki talál magának olyan terméket, amivel szebbé és barátságosabbá teheti otthonát.

Sehr geehrte Partner!

Es ist uns eine große Freude, dass Sie nun den neusten Rabalux-Katalog in den Händen halten. Unser Ziel ist es, für jeden individuellen Anspruch eine Lösung zu bieten, und daher haben wir unser Portfolio in diesem Jahr um 400 neue Produktelemente erweitert.

Wir folgen den neusten Modetrends und haben daher in diesem Jahr noch größeren Wert auf Produkte in den immer beliebteren Stilrichtungen Vintage und Industrial Style gelegt. Auch romantische und tropische Modetrends trifft man immer häufiger auf Fachmessen und in Fachzeitschriften an, sodass wir uns auch in diesem Bereich nach den Käufererwartungen richten und in unseren Katalog individuell gestaltet mit weißem Holz kombinierte Leuchten aufgenommen haben, die diesem Stil entsprechen. Natürlich haben wir auch die Anhänger des unsterblich Klassischen und der modernen Richtungen nicht vergessen, auch für sie haben wir zahlreiche neue Lösungen zu bieten, mit denen sie ihrer vertrauten Umgebung neuen Zauber verleihen können.

Schauen Sie sich mithilfe unserer Live Print App auf dem Umschlag unser Video an (Rábalux logo), treten Sie ein, lernen Sie uns näher kennen.

Wir hoffen, dass in unserem erweiterten Sortiment nun wirklich für jeden ein Produkt dabei ist, das dazu beiträgt, dass er oder sie sein Heim damit hübscher und freundlicher gestalten kann.

Decorative and children lamps
Dekor- és gyereklámpák
Dekor- und Kinderleuchten

GBR

Our eyes need special care, for this reason the lighting design of the children's room needs careful preparation and awareness. Our applied product and design engineer has put together a collection for our youngest friends in which the same motif and colour schemes are apparent in lamp fittings providing both general and supplementary lighting.

The fun and loveable patterns capture the imagination of children, besides which they comply with special requirements concerning light output and construction. By utilizing warm colour light sources, fashionable light fittings for children's rooms matching currently popular base tones will be durable, stylish and playful accessories in the home!

HUN

Szemünk fénye féltő gondoskodást igényel, ezért a gyerekszoba világításának kialakítása is gondos előkészítést, tudatosságot kíván. Ipari termék- és formatervező mérnökünk legkisebb barátaink számára egy olyan kollekción állított össze, amelyben ugyanazon motívum és színvilág fut végig mind az általános, mind pedig a kiegészítő megvilágítást biztosító lámpatesteken.

A vidám és szerethető minták magukkal ragadják a gyermeki képzeletet, s emellett a fényadás és a konstrukció speciális elvárásainak is megfelelnek. A gyerekszobák divatos, napjainkban népszerű alapszíneihez passzoló lámpatestek meleg színű fényforrásokkal használva időtálló, hangulatos és játékos kellékei lesznek otthonának!

GER

Unsere Augen brauchen ängstliche Sorge, deswegen ist auch bei der Gestaltung der Kinderzimmer-Beleuchtung sorgfältige Vorbereitung und Achtsamkeit gefragt. Unsere Industrieprodukt- und Designingenieurin hat für ihre jüngsten Freunde eine Kollektion zusammengestellt, bei der sich dieselbe Motiv- und Farbenwelt sowohl auf den Leuchten für die allgemeine Beleuchtung wie auch auf den Leuchten, die ergänzende Beleuchtungsfunktionen erfüllen, wiederfindet.

Die heiteren, liebenswürdigen Muster ziehen die kindliche Vorstellungskraft in ihren Bann und erfüllen dabei gleichzeitig auch spezielle Beleuchtungs- und Konstruktionsansprüche. Die modernen Kinderzimmerleuchten, die zu den heutzutage beliebten Grundfarbtönen passen, werden mit ihren Lichtquellen in warmen Farben zu zeitlosen, stimmungsvollen und spielerischen Accessoires in Ihrem Zuhause!

“Primarily the animal kingdom was inspirational when designing the graphics of these lamps. I created the sort of loveable motifs that brighten up every child's room.”

Judit Bendig
 industrial product- and design engineer
 Rabalux Zrt.

„A lámpák grafikáinak tervezése során főként az állatvilág inspirált. Olyan szerethető motívumokat alkottam meg, melyek minden gyerekszobát vidámabbá tesznek.”

„Bei der grafischen Planung der Lampen habe ich mich in erster Linie von der Tierwelt inspirieren lassen. Ich habe liebenswerte Motive geschaffen, die jedes Kinderzimmer aufheitern.”
